Comments: I really just wanted to thank Dr. Kuether for his help and referral to Marya Deda at Jade acupuncture. I was starting to think I would never see relief from the dizziness I was experiencing . Dr. Kuether told me that there were certain medications available but did nit recommend them So he suggested I try Marya and I have had such a positive response from her help. and I was a skeptic at first, I t is not yet perfect but my life is so much better. I never thought I would see the day when a Dr. such as yourself would suggest anything like this and I so appreciate it. A thank you is all I have to offer , But please be assured it is genuine.

Thank You
John Blythe
